## PERSONAL DETAILS

- Nationality - Indian
- Current Residence - Kerala, India
- Date of Birth - 6th May 1990
- Work Visa for other countries - None
- International Driving License - No

## APPRECIATIVE EVENTS

### Courage I had

Learned BrightScript from the beginning without any knowledge and contributed to a Roku channel project.

### Critical Analysis & Analytical Thinking

I used step-by-step approach and included the process of gathering relevant information and identifying key issues related to the project.

### Handled work pressure

Handled high work pressure. Worked continuously more than 24 hours.

### Helped colleagues in projects.

Inspired and taught about programming stuff and further technologies to colleagues when they were frozen on their task.
